

INDEX

Note: Text in boldface denotes chapter discussions; tables are noted with a *t*.

A

Abdominal distention

ascites in rodents and, 552
 diarrhea in chinchillas and, 18
 diarrhea in rodents and, 567
 gastrointestinal stasis/dilation in chinchillas and, 30
 heartworm disease in ferrets and, 115
 prostatomegaly in ferrets and, 184
 pyometra/stump pyometra in ferrets and, 190
 Abdominal effusion. *See* Ascites
 Abdominal effusion paracentesis, hepatomegaly in ferrets and, 119
 Abdominal imaging, anorexia in chinchillas and, 6
 Abdominal radiography
 amyloidosis in rodents and, 548
 anorexia in ferrets and, 54
 anorexia/pseudoanorexia in guinea pigs and, 232
 anorexia/pseudoanorexia in rabbits and, 353
 antibiotic-associated enterotoxemia in guinea pigs and, 234
 ascites in ferrets and, 56
 constipation in guinea pigs and, 249
 diarrhea in rodents and, 568
 dyspnea and tachypnea in ferrets and, 92
 dysuria, hematuria, and pollakiuria in guinea pig and, 268
 dysuria, hematuria, pollakiuria in chinchillas and, 27
 dysuria and pollakiuria in ferrets and, 96
 epizootic catarrhal enteritis in ferrets and, 100
 gastric dilation in guinea pig and, 277
 gastric dilation in rabbits and, 420
 gastritis in ferrets and, 107
 gastrointestinal hypomotility and stasis in guinea pig and, 280
 heatstroke and heat stress in rabbits and, 432
 hepatomegaly in ferrets and, 119
 hydronephrosis in ferrets and, 121
 hyperadrenocorticism in rodents and, 581
 hypersplenism in ferrets and, 125
 hypoglycemia in ferrets and, 126
 inflammatory bowel disease in ferrets and, 128
 insulinoma in ferrets and, 132
 lower urinary tract infection in guinea pigs and, 292
 lymphosarcoma in ferrets and, 141
 mast cell tumor in ferrets and, 144
 mastitis, cystic and septic, in rabbits and, 451
 melena in ferrets and, 148
 petechia/ecchymosis/bruising in ferrets and, 166
 polyuria and polydipsia in chinchillas and, 41
 polyuria and polydipsia in ferrets and, 177
 polyuria and polydipsia in guinea pigs and, 319
 polyuria and polydipsia in rabbits and, 488
 rectal/anal prolapse in ferrets and, 195
 rectal prolapse in rodents and, 604
 renal failure in ferrets and, 198
 renal failure in rabbits and, 506
 renal failure in rodents and, 608
 splenomegaly in ferrets and, 207

trichobezoars and phytobezoars in guinea pigs and, 332
 Tyzzer's disease and, 334
 urinary tract obstruction in ferrets and, 213
 urinary tract obstruction in rabbits and, 532
 uterine adenocarcinoma in rabbits and, 534
 weight loss and cachexia in chinchillas and, 44
 weight loss and cachexia in ferrets and, 223
 weight loss and cachexia in guinea pigs and, 342
 weight loss and cachexia in rabbits and, 540

Abdominal ultrasonography
 in alopecia, 3
 anorexia in ferrets and, 54
 anorexia/pseudoanorexia in rabbits and, 353
 ataxia in ferrets and, 58
 constipation in rabbits and, 383
 diarrhea in chinchillas and, 19
 diarrhea in rodents and, 568
 fleas and flea infestation in ferrets and, 103
 gastroduodenal ulcers in ferrets and, 109
 hepatomegaly in ferrets and, 119
 hypersplenism in ferrets and, 125
 melena in ferrets and, 148
 mycotic pneumonia in ferrets and, 173
 neoplasia, digestive system, in ferrets and, 154
 ovarian cysts in rodents and, 596
 polyuria and polydipsia in rabbits and, 488
 pruritus in guinea pigs and, 316
 rectal/anal prolapse in ferrets and, 195
 renal failure in rodents and, 608
 splenomegaly in ferrets and, 207
 urinary tract obstruction in ferrets and, 213
 uterine disorders in rodents and, 619
 vaginal discharge in rodents and, 621
 vomiting in ferrets and, 221
 Abdominocentesis
 ascites in ferrets and, 56
 ascites in rodents and, 552
 congestive heart failure in ferrets and, 74
 congestive heart failure in rabbits and, 377
 dyspnea and tachypnea in guinea pigs and, 263
 proliferative bowel disease in ferrets and, 180
 Abortions, 24
 cervical lymphadenitis in guinea pigs and, 240, 242
Chlamydomphila caviae infection and, 244
Salmonella spp. infection in chinchillas and, 20
 Abscessation
 alopecia in chinchillas and, 2
 anaerobic bacteria and, 14
 constipation in guinea pigs and, 248
 cutaneous and subcutaneous masses in guinea pigs and, 253
 cutaneous and subcutaneous masses in rodents and, 561
 definition, 226
 in guinea pigs, 226–228, 252
 lameness in rabbits and, 445
 nasal discharge and sneezing in guinea pigs and, 295

in rabbits, 346–349
 periapical, 479–482
 retrobulbar tooth root, 413

Absorption control, poisoning in rabbits and, 486
 ACE inhibitors
 congestive heart failure in ferrets and, 74
 congestive heart failure in rabbits and, 377
 dilated cardiomyopathy in ferrets and, 66
 renal failure in ferrets and, 199
 Acepromazine
 dosage for ferrets, 624*t*
 dosage for rabbits, 631*t*
 Acetate tape preparation, dermatophytosis and, 15
 Acetylsalicylic acid, dosage in ferrets, 624*t*
 Acquired dental disease syndrome, in guinea pigs, 255
 Activated charcoal
 anticoagulant rodenticide poisoning in rabbits and, 357
 dosage for rabbits, 631*t*
 Acute hepatic necrosis, hepatomegaly in ferrets and, 119
 Acute renal failure
 in ferrets, 198, 200
 in rabbits, 506
 Acute respiratory diseases, in rodents, 544–545
 Acute respiratory distress
 defined, 544
 infectious/noninfectious in rodents, 544
 Addison's disease, in ferrets with bilateral adrenalectomy, 49
 Adenocarcinomas
 in ferrets, 155
 melena and, 148
 Adhesive tape collection, pruritus in guinea pig and, 316
 Adipsia, pregnancy toxemia in guinea pigs and, 314
 Adnexal disease, conjunctivitis in guinea pigs secondary to, 245
 Adrenal disease
 alopecia in ferrets and, 52
 defined, 46
 in ferrets, 46–49, 97, 103
 lower urinary tract infection in ferrets and, 135
 paraurethral cysts in ferrets and, 161
 petechia/ecchymosis/bruising in ferrets and, 166
 Adrenalectomy
 adrenal disease in chinchillas and, 47–48
 paraurethral cysts in ferrets and, 161, 162
 prostatitis/prostatic abscesses in ferrets and, 182, 183
 prostatomegaly in ferrets and, 184, 185
 pruritus in ferrets and, 186
 Adulticide/larvicide anthelmintics, pinworms in rabbits and, 483
 Adulticide treatment, heartworm disease in ferrets and, 116
 ADV. *See* Aleutian disease virus
 Agalactia, mastitis in guinea pigs and, 294
 Aggressiveness, rabies in ferrets and, 193
 AGID, influenza virus in ferrets and, 130

- AIPMMA (antibiotic-impregnated polymethyl methacrylate) beads
 arthritis-septic in rabbits and, 361
 cutaneous and subcutaneous masses in rodents and, 561
 dental abscesses in guinea pigs and, 253
 otitis externa and media in rabbits and, 467, 468
 otitis media and interna in guinea pigs and, 299
 otitis media and interna in rabbits and, 471
- Albendazole
 dosage for chinchillas, 636*t*
 dosage for rabbits, 631*t*
 giardiasis in chinchillas and, 34
- Albuterol
 mycoplasmosis and chronic respiratory disease in rodents and, 592
 pneumonia in rodents and, 598
- Aleutian disease virus**
 defined, 50
 in ferrets, 50–52
 inflammatory bowel disease in ferrets and, 128
 renomegaly in ferrets and, 201
 weight loss and cachexia in ferrets and, 223
- Allergens/allergies
 nasal discharge and sneezing in chinchillas and, 35
 nasal discharge and sneezing in guinea pigs and, 295
 pruritus in ferrets and, 186
 stertor and stridor in guinea pigs and, 329
- Alopecia**
 adrenal disease in chinchillas and, 46
 ataxia in guinea pigs and, 236
 in bacterial folliculitis, 2
 cheyletiellosis in rabbits and, 370
 in chinchillas, 2–4
 dermatophytosis and, 15
 dermatophytosis in ferrets and, 79
 dermatophytosis in guinea pigs and, 258
 dermatophytosis in rabbits and, 386
 dermatophytosis in rodents and, 565
 ear mites in ferrets and, 97
 ear mites in rabbits and, 398
 epiphora in rabbits and, 407
 in ferrets, 52–53
 gastroduodenal ulcers in ferrets and, 109
 in guinea pigs, 229–230
 inflammatory, dermatophytosis in guinea pigs and, 258
 lice and mites in guinea pigs and, 289
 lymphosarcoma in ferrets and, 142
 nasal discharge and sneezing in guinea pigs and, 295
 neck and back pain in rabbits and, 459
 otitis externa and media in rabbits and, 466
 paresis and paralysis in guinea pigs and, 303
 pruritus and, 490
 pruritus in ferrets and, 186
 pruritus in guinea pigs and, 316
 pyralism in rabbits and, 492
 pyoderma in rabbits and, 495
 in rabbits, 350–351
 in rodents, 546–547
 sarcoptic mange in ferrets and, 205
 swollen vulva in ferrets and, 209
 ulcerative pododermatitis in rabbits and, 528
- ALT, cough in ferrets and, 76
- Amikacin
 dosage for ferrets, 624*t*
 dosage for rabbits, 631*t*
 pneumonia in guinea pigs and, 310
- Aminophylline
 dosage for ferrets, 624*t*
 dosage for guinea pigs, 639*t*
 dosage for rodents, 642*t*
 pneumonia in guinea pigs and, 310
- Amitraz, dosage for ferrets, 624*t*
- Amoxicillin
 aspiration pneumonia in ferrets and, 170
 clostridial enterotoxigenesis in ferrets and, 71
 diarrhea in chinchillas and, 18
 diarrhea in ferrets and, 83
 dosage for ferrets, 624*t*
 dosage for rabbits, 631*t*
 dyschezia and hematochezia in ferrets and, 88
 dysuria and pollakiuria in ferrets and, 96
 gastritis in ferrets and, 108
 gastroduodenal ulcers in ferrets and, 110
 gastrointestinal and esophageal foreign bodies in ferrets and, 112
Helicobacter mustelae in ferrets and, 118
 megaesophagus in ferrets and, 147
 melena in ferrets and, 148
- Amoxicillin/clavulanate
 dosage in ferrets, 624*t*
 epizootic catarrhal enteritis in ferrets and, 101
 lower urinary tract infections in ferrets and, 135
 nasal discharge in ferrets and, 153
 otitis externa and media in ferrets and, 159
 pyometra/stump pyometra in ferrets and, 191
 vomiting in ferrets and, 222
- Amoxicillin + clavulanic acid
 anorexia/pseudoanorexia in rodents and, 551
 dosage for ferrets, 624*t*
- Amoxicillin plus metronidazole plus bismuth subsalicylate, lymphoplasmacytic enteritis and gastroenteritis in ferrets and, 139
- Amphotericin B
 dosage for ferrets, 624*t*
 mycotic pneumonia in ferrets and, 173
- Ampicillin
 diarrhea in chinchillas and, 18
 dosage for ferrets, 624*t*
 dosage for rabbits, 631*t*
 epizootic catarrhal enteritis in ferrets and, 101
- Amprolium
 coccidiosis in ferrets and, 72
 dosage for ferrets, 624*t*
- Amprolium 9.6 solution, dosage for rabbits, 631*t*
- Amyloidosis**, in rodents, 548–549
- Anabolic steroids, hypersplenism in ferrets and, 125
- Anaerobic bacteria
 abscessation and, 14
 bacterial pneumonia in ferrets and, 171
- Anal disease, dyschezia and hematochezia in ferrets and, 88
- Analgesics. *See also specific drugs*
 ataxia in guinea pigs and, 238
- Anal prolapse**
 defined, 195
 in ferrets, 195
- Anal saccullectomy, rectal/anal prolapse in ferrets and, 195
- Anamnesis, gastrointestinal hypomotility/stasis in guinea pig and, 280
- Anastrozole
 adrenal disease in chinchillas and, 48
 dosage for ferrets, 624*t*
- Anatomic problems, urinary incontinence, in rabbits and, 443
- Anemia
 ataxia in ferrets and, 58
 dysuria, hematuria, pollakiuria in chinchillas and, 28
 hematuria in rodents and, 579
 hyperestrogenism in ferrets and, 122, 124
 hypersplenism in ferrets and, 125
 inflammatory bowel disease in ferrets and, 129
 lymphoma in rodents and, 587
 paresis/paralysis in ferrets and, 164
- Anorectal disease, constipation in rabbits and, 383
- Anorectal impaction, constipation in guinea pigs and, 249, 250, 251
- Anorexia**
 abscesses in guinea pigs and, 226
 amyloidosis in rodents and, 548
 antibiotic-associated enterotoxemia in guinea pigs and, 234
 arthritis-septic in rabbits and, 361
 ascites in rodents and, 552
 bacterial pneumonia in ferrets and, 171
 campylobacteriosis in ferrets and, 62
 cervical lymphadenitis in guinea pigs and, 240
 cheek teeth malocclusion in rabbits and, 367
 in chinchillas, 5–7
 clostridial enteritis/enterotoxigenesis in rabbits and, 372
 clostridial enterotoxigenesis in ferrets and, 70
 congestive heart failure in rabbits and, 376
 constipation and, 10
 constipation in guinea pigs and, 248, 249
 constipation in rabbits and, 382, 383
 defined, 5
 diabetes mellitus in ferrets and, 81
 diarrhea: acute in rabbits and, 388
 diarrhea: chronic in rabbits and, 391
 diarrhea in ferrets and, 83
 diarrhea in rodents and, 567
 dyschezia and hematochezia in ferrets and, 88
 dyspnea/tachypnea in chinchillas and, 21
 dystocia in guinea pigs, 265
 dysuria, hematuria, and pollakiuria in guinea pigs and, 267
 dysuria and pollakiuria in rodents and, 570
 eosinophilic gastroenteritis in ferrets and, 98
 epizootic catarrhal enteritis in ferrets and, 100
 exophthalmos and orbital diseases in rodents and, 574
 exophthalmos in guinea pigs and, 273
 in ferrets, 54–55
 gastritis in ferrets and, 108
 gastrointestinal and esophageal foreign bodies in ferrets and, 111
 gastrointestinal foreign bodies in rabbits and, 422, 423
 gastrointestinal hypomotility/stasis in guinea pigs and, 279
 gastrointestinal hypomotility/stasis in rabbits and, 426
 gastrointestinal stasis/dilation in chinchillas and, 30, 31
 in guinea pigs, 231–233
 head tilt in guinea pigs and, 283
 head tilt in rabbits and, 429
 heartworm disease in ferrets and, 115
 hypercalciuria and urolithiasis in rabbits and, 437, 438
 hypovitaminosis C in guinea pigs and, 287
 incisor malocclusion and overgrowth in rabbits and, 440
 inflammatory bowel disease in ferrets and, 128
 influenza virus in ferrets and, 130
 lead toxicity in rabbits and, 447
 lower urinary tract infection in chinchillas and, 26
 lower urinary tract infection in guinea pigs and, 291, 292
 lymphoplasmacytic enteritis and gastroenteritis in ferrets and, 139
 lymphosarcoma in ferrets and, 142
 mastitis in guinea pigs and, 294

- megaesophagus in ferrets and, 146
nasal discharge and sneezing in chinchillas and, 35
nasal discharge and sneezing in guinea pigs and, 295, 296
otitis media and interna in chinchillas and, 38
otitis media and interna in rodents and, 594
ovarian cysts in guinea pigs and, 301
paraurethral cysts in ferrets and, 161
pasteurellosis in rabbits and, 476
periapical abscesses in rabbits and, 479
perineal sac impaction and, 307
pneumonia in guinea pigs and, 309, 310
pneumonia in rabbits and, 484
pododermatitis (bumblefoot) in guinea pigs and, 312
pregnancy toxemia in ferrets and, 179
pregnancy toxemia in guinea pigs and, 314
proliferative bowel disease in ferrets and, 180
pruritus in guinea pigs and, 316
ptyalism in ferrets and, 188
pyometra/stump pyometra in ferrets and, 190
rabbit hemorrhagic disease and, 499
in rabbits, 352–353
renal failure in ferrets and, 198
renal failure in rodents and, 607, 608
rhinitis and sinusitis in guinea pigs and, 323, 324
in rodents, 550–551
stertor and stridor in guinea pigs and, 329, 330
tachyarrhythmias in ferrets and, 211
trichobezoars and phytobezoars in guinea pigs and, 332, 333
trichobezoars in rabbits and, 524
Tyzzer's disease and, 334
urinary tract obstruction in rabbits and, 531
vaginal discharge in guinea pigs and, 339
vaginal discharge in rabbits and, 536
weight loss and cachexia in ferrets and, 223
- Anterior uveitis**
conjunctivitis in rabbits and, 379
defined, 354
in rabbits, 354–356
red eye in rabbits and, 503
- Antibiotic-associated enterotoxemia**
in chinchillas, 8–9
in guinea pigs, 234–235, 277
- Antibiotic ophthalmic solutions, epiphora in rabbits and, 408
- Antibiotic therapy
abscessation in guinea pigs and, 227
abscessation in rabbits and, 348
acute respiratory distress in rodents and, 545
anorexia/pseudoanorexia in rodents and, 551
aspiration pneumonia in ferrets and, 170
bacterial pneumonia in ferrets and, 172
campylobacteriosis in ferrets and, 62
canine distemper virus in ferrets and, 64
cervical lymphadenitis in guinea pigs and, 241
cheek teeth malocclusion in rabbits and, 368–369
clostridial enterotoxigenesis in ferrets and, 71
coccidiosis in rabbits and, 375
conjunctivitis in rabbits and, 380
constipation and, 11
constipation in rabbits and, 384
cutaneous and subcutaneous masses in guinea pigs and, 253–254
cutaneous and subcutaneous masses in rodents and, 562
dental malocclusion and, 14
dental malocclusion in guinea pigs and, 256
diarrhea: acute in rabbits and, 389
diarrhea: chronic in rabbits and, 392
diarrhea in chinchillas and, 18, 19, 20
diarrhea in ferrets and, 83
diarrhea in rodents and, 568
dyschezia and hematochezia in ferrets and, 88
dyspnea/tachypnea in chinchillas and, 23
dystocia and disorders of pregnancy in chinchillas and, 25
dysuria, hematuria, and pollakiuria in guinea pigs and, 269
dysuria, hematuria, pollakiuria in chinchillas and, 28
encephalitis and meningoencephalitis in rabbits and, 404
epiphora in guinea pigs and, 272
epistaxis in rabbits and, 410–411
epizootic catarrhal enteritis in ferrets and, 101
exophthalmos and orbital disease in guinea pigs and, 274
exophthalmos and orbital disease in rabbits and, 414
exophthalmos and orbital diseases in rodents and, 575
gastric dilation in rabbits and, 421
gastrointestinal foreign bodies in rabbits and, 424
gastrointestinal hypomotility/stasis in rabbits and, 427
gastrointestinal stasis/dilation in chinchillas and, 32
head tilt in guinea pigs and, 283
head tilt in rabbits and, 430
head tilt in rodents and, 577
influenza virus in ferrets and, 130–131
lice and mites in guinea pigs and, 290
lower urinary tract infection in rabbits and, 450
mastitis, cystic and septic, in rabbits and, 451
megaesophagus in ferrets and, 147
melena in ferrets and, 148
melena in rabbits and, 454
mycoplasmosis and chronic respiratory disease in rodents and, 592
nasal discharge and sneezing in chinchillas and, 36
nasal discharge and sneezing in guinea pigs and, 296
nasal discharge and sneezing in rabbits and, 457
orbital abscess or cellulitis in rabbits and, 414
otitis externa and media in ferrets and, 159
otitis externa and media in rabbits and, 468
otitis media and interna in chinchillas and, 39
otitis media and interna in guinea pigs and, 299
otitis media and interna in rabbits and, 472
otitis media and interna in rodents and, 594
ovarian cysts in rodents and, 596
pasteurellosis in rabbits and, 477
periapical abscesses in rabbits and, 481
perineal sac impaction and, 307
pneumonia in rodents and, 598
pododermatitis (bumblefoot) in guinea pigs and, 313
pregnancy toxemia in guinea pigs and, 315
proliferative bowel disease in ferrets and, 181
prostatitis/prostatic abscesses in ferrets and, 182
pruritus in guinea pigs and, 317
pruritus in rodents and, 602
ptyalism in rabbits and, 493
pyometra and nonneoplastic endometrial disorders in rabbits and, 498
regurgitation in ferrets and, 197
rhinitis and sinusitis in guinea pigs and, 325
rhinitis and sinusitis in rodents and, 610–611
scent gland disorders in rodents and, 612
for sedation, vertebral fracture or luxation in rabbits and, 539
stertor and stridor in guinea pigs and, 330
ulcerative pododermatitis in rodents and, 617
uterine disorders in rodents and, 620
vaginal discharge from guinea pigs and, 340
vaginal discharge in rodents and, 622
vomiting in ferrets and, 222
- Anticholinergics, diarrhea in ferrets and, 83
- Anticoagulant**, 487
- Anticoagulant rodenticide poisoning**
in rabbits, 357–358
epistaxis and, 410
- Antiemetics
ferret systemic coronavirus and, 106
vomiting in ferrets and, 222
- Antifungal shampoos
alopecia in chinchillas and, 3
pruritus in guinea pigs and, 317
pruritus in rodents and, 602
- Antihistamines
fleas and flea infestation in ferrets and, 103
nasal discharge and sneezing in chinchillas and, 36
nasal discharge and sneezing in guinea pigs and, 296
nasal discharge in ferrets and, 153
pruritus and, 490
pruritus in ferrets and, 187
pruritus in guinea pigs and, 317
- Antimicrobial drugs
dental malocclusion in rodents and, 564
pneumonia in guinea pigs and, 310
ulcerative pododermatitis in rabbits and, 529
- Antimicrobial shampoos
lice and mites in guinea pigs and, 290
pruritus in guinea pigs and, 317
- Antimicrobial therapy
perineal sac impaction and, 307
pruritus in guinea pigs and, 317
salmonellosis in ferrets and, 203
- Antiparasitic agents
constipation in rodents and, 559
diarrhea in chinchillas and, 19
pruritus in guinea pigs and, 317
- Antipruritic therapy
alopecia in guinea pigs and, 230
fleas and flea infestation in guinea pigs and, 276
pruritus in guinea pigs and, 317
- Antiviral drugs, canine distemper virus in ferrets and, 64
- Anuria, renal failure in ferrets and, 198
- Anxiety
dystocia in guinea pigs and, 265
rabies in ferrets and, 193
- Anxiolytics, otitis media and interna in guinea pigs and, 299
- Apomorphine, dosage for ferrets, 624t
- Appetite control, in chinchillas, 5. *See also*
Anorexia; Inappetence
- Aqueous flare, anterior uveitis in rabbits and, 354
- Arcanobacterium haemolyticum*, abscessation in rabbits and, 346
- Arcanobacterium pyogenes*
pyometra and nonneoplastic endometrial disorders in guinea pigs and, 321
vaginal discharge in guinea pigs and, 339
- ARF. *See* Acute renal failure
- Arthritis of hind limbs, alopecia in chinchillas and, 2
- Arthritis-osteoarthritis**, in rabbits, 359–360
- Arthritis-septic**, in rabbits, 361–362
- Artificial tears, corneal ulceration in rodents and, 575

Ascites

- congestive heart failure in ferrets and, 73
 - congestive heart failure in rabbits and, 376
 - in ferrets, 56–57
 - heartworm disease in ferrets and, 115
 - hypertrophic cardiomyopathy in ferrets and, 67
 - right-sided congestive heart failure and, 556
 - in rodents, 552–553
 - tachyarrhythmias in ferrets and, 211
- Ascorbic acid levels, hypovitaminosis C in guinea pigs and, 287
- Asparaginase, lymphoma in rodents and, 588
- Aspiration
- abscesses in guinea pigs and, 226
 - ulcerative pododermatitis in rabbits and, 529
- Aspiration pneumonia, dysphagia in ferrets and, 91
- Aspirin, dosage for ferrets, 624t
- Asymmetric hepatomegaly, in ferrets, 119

Ataxia

- defined, 58, 363
- in ferrets, 58–59
- ferret systemic coronavirus and, 105
- in guinea pigs, 236–239
- hypoglycemia in ferrets and, 126
- neck and back pain in rabbits and, 459
- neurologic, causes in rabbits, 363
- pregnancy toxemia in guinea pigs and, 314
- proliferative bowel disease in ferrets and, 180
- in rabbits, 363–364
- renal failure in ferrets and, 198
- renal failure in rodents and, 607
- in rodents, 554–555
- traumatic, causes in rabbits, 363
- types of, 236
- urinary tract obstruction in rabbits and, 531

Atenolol

- congestive heart failure in ferrets and, 76
- congestive heart failure in rabbits and, 377
- dosage for ferrets, 624t
- hypertrophic cardiomyopathy in ferrets and, 67

Atipamezole, dosage for ferrets, 624t**Atropine**

- anterior uveitis in rabbits and, 355
- bradyarrhythmias in ferrets and, 60
- dosage for rabbits, 631t
- Atropine + phenylephrine, dosage for rabbits, 631t

Physical therapy, arthritis-osteoarthritis in rabbits and, 359

Physiologic values

- for chinchillas, 640t
for gerbils, 645t
for mice, 647t
for rabbits, 635t
for rats, 649t
for rodents, 643t

Phytobezoars, in guinea pigs, 332–333

Pimobendan

- congestive heart failure in ferrets and, 74
congestive heart failure in rabbits and, 377
congestive heart failure in rodents and, 557
dilated cardiomyopathy in ferrets and, 66
dosage for ferrets, 627t
dosage for rabbits, 633t

Pinworms (oxyurids)

- pruritus and, 490
in rabbits, 483
rectal prolapse in rodents and, 604, 605

Piperazine adipate, dosage for rabbits, 633t

Plasma glucagon test, diabetes mellitus in ferrets and, 81

Plasma insulin test, diabetes mellitus in ferrets and, 81

Plasma protein electrophoresis

- encephalitis and meningoencephalitis in rabbits and, 403

head tilt in rabbits and, 430

Platelet function deficits,

- petechia/ecchymosis/bruising in ferrets and, 166

Pleural effusion

- congestive heart failure in ferrets and, 73
dilated cardiomyopathy in ferrets and, 65
dyspnea and tachypnea in ferrets and, 92
dyspnea/tachypnea in chinchillas and, 21
in ferrets, 168–169
heartworm disease in ferrets and, 115
hypertrophic cardiomyopathy in ferrets and, 67

Pleural effusion analysis

- congestive heart failure in ferrets and, 74
congestive heart failure in rabbits and, 377
dilated cardiomyopathy in ferrets and, 65

PMMA bone cement, AIPMMA beads and, 361

Pneumonia

- anorexia/pseudoanorexia in guinea pigs and, 231
cervical lymphadenitis in guinea pigs and, 240
defined, 309
dyspnea and tachypnea in chinchillas and, 21
dyspnea and tachypnea in ferrets and, 92
dyspnea and tachypnea in guinea pigs and, 262
dyspnea and tachypnea in rabbits and, 394
gastrointestinal hypomotility/stasis in guinea pigs and, 279
in guinea pigs, 309–311
interstitial, canine distemper virus in ferrets, 63
in rabbits, 484–485
in rodents, 597–599

Pneumonia, aspiration

- in ferrets, 170
overview, 170
regurgitation in ferrets and, 197

Pneumonia, bacterial

- in ferrets, 171–172
overview, 171

Pneumonia, mycotic

- in ferrets, 173–174
overview, 173

Pneumothorax, dyspnea/tachypnea in chinchillas and, 21

- Pododermatitis (bumblefoot)**
 ataxia in guinea pigs and, 238
 defined, 175
 in ferrets, 175–176
 in guinea pigs, 312–313
 neck and back pain in rabbits and, 459
 staging, 312
 weight loss and cachexia in guinea pigs and, 342
- Poisoning (intoxication)**, in rabbits, 486–487
- Poliovirus, ataxia in guinea pigs and, 237
- Pollakiuria**
 in chinchillas, 26–29
 defined, 26
 in ferrets, 95–96
 in guinea pigs, 267–270
 hypercalciuria and urolithiasis in rabbits and, 437
 lower urinary tract infection in ferrets and, 135
 lower urinary tract infection in rodents and, 585
 nephrolithiasis and ureterolithiasis in rabbits and, 461
 paraurethral cysts in ferrets and, 161
 prostatitis/prostatic abscesses in ferrets and, 182
 prostaticomegaly in ferrets and, 184
 in rabbits, 396–397
 in rodents, 570–571
 urinary tract obstruction in ferrets and, 213
 urinary tract obstruction in guinea pigs and, 336
 urinary tract obstruction in rabbits and, 531
 urolithiasis in ferrets and, 216
- Polycystic kidney disease, renomegaly in ferrets and, 201
- Polyprenyl immunostimulant, ferret systemic coronavirus and, 106
- Polyps, otitis media and interna in chinchillas and, 38
- Polysulfate glycosaminoglycans, dosage for rabbits, 633*t*
- Polyuria and polydipsia (PU/PD)**
 amyloidosis in rodents and, 548
 in chinchillas, 41–42
 defined, 41
 diabetes mellitus in ferrets and, 81
 in ferrets, 177–178
 in guinea pigs, 318–320
 multiple myeloma in ferrets and, 150
 primary, 318
 primary, causes of, 318
 pyometra and nonneoplastic endometrial disorders in guinea pigs and, 321
 in rabbits, 488–489
 renal failure in ferrets and, 198
 in rodents, 600–601
 tachyarrhythmias in ferrets and, 211
 urinary incontinence in rabbits and, 443
 vaginal discharge in guinea pigs and, 339
- Ponazuril, dosage for rabbits, 633*t*
- Positive contrast radiography, gastrointestinal and esophageal foreign bodies in ferrets and, 111
- Positive inotropes, congestive heart failure in ferrets and, 74
- Post-ictal phase, seizures and, 326
- Potassium bromide, seizures in guinea pigs and, 327
- Potassium gluconate, renal failure in ferrets and, 199
- Prairie dogs. *See* Rodents
- Praziquantel
 diarrhea in chinchillas and, 19
 dosage for chinchillas, 636*t*
 dosage for guinea pigs, 639*t*
 dosage for rabbits, 633*t*
 dosage for rodents, 642*t*
 intestinal parasitism in rodents and, 584
- Prednisolone
 disseminated idiopathic myofasciitis in ferrets and, 86
 dosage in ferrets, 627*t*
 ferret systemic coronavirus and, 105
 pruritus in guinea pigs and, 317
- Prednisolone acetate, cataracts in rabbits and, 365
- Prednisolone sodium succinate
 clostridial enterotoxigenesis in ferrets and, 71
 dosage for ferrets, 628*t*
